SCNS and Annual Meeting Overview

History of Southern Clinical Neurological Society

The Southern Clinical Neurological Society (SCNS) began in 1972 with 34 members and now boasts approximately 350 active, associate, and honorary members. Our members are leaders in the field of clinical neurology. Many hold faculty positions at prestigious universities and further promote the clinical study of neurology through regular contributions to highly reputable publications and journals within their individual specialties. In addition, many of our members provide guidance as consultants and speakers and serve in numerous professional societies and associations. All our members share a common goal: to improve the clinical practice of neurology and the care of neurological patients.

Target Audience

The SCNS is designed for neurologists, neurosurgeons, psychiatrists, residents in neurology, and other allied health professionals with a significant interest in the research, diagnosis, treatment, and management of neurological disorders.

Therapeutic Focus

The SCNS Annual Meeting covers a broad range of therapeutic areas for which educational needs have been established. The following topics will be highlighted at the 2013 Annual Meeting.

- Stroke
- Epilepsy
- Alzheimer disease
- Parkinson disease
- Cognitive disturbances
- Movement disorders
- Multiple sclerosis
- Peripheral neuropathy
- Migraine
- Chronic pain

Call for Abstracts
SCNS 40th Annual Meeting
Submission Deadline: Friday, November 9, 2012

The SCNS Scientific Program Committee invites you to submit an abstract to be presented in poster format at the 40th Annual Meeting to be held January 19-24, 2013, in Naples, Florida.

General Information

Posters developed from abstracts accepted by the SCNS Scientific Program Committee will be displayed during the in-line poster session, which will offer the opportunity to present new research and to discuss the work of others. Topics for the abstracts include (but are not limited to) stroke, epilepsy, neurodegeneration, movement disorders, multiple sclerosis, headache, and pain. If the abstract has been previously presented or published, please disclose the meeting or publication to which it was submitted.

Submission Information

All abstracts must adhere to the following guidelines.

- Format: Introduction/Statement of the Rationale, Objective, Materials and Methods, Results, and Conclusions
- Submit as a Microsoft Word document that includes the title of the presentation, the name and institution of the presenter, and the names of other investigators, if applicable
- Abstract text should not exceed 300 words

Meeting Registration Guidelines

Authors of abstracts are responsible for all personal expenses, which include meeting registration and travel expenses. Please register for the meeting and reserve hotel accommodations as early as possible to ensure space availability. To confirm travel and hotel reservations, please contact Linda Fulmer of Cook Travel at 800-843-5435.

Please complete the form below and return it to Jim Lowry by e-mail (jalowry1931@aol.com) or fax (352-336-3476). After the submission form has been received, presenters will be contacted and required to complete a presenter information form and faculty disclosure form. Please contact Jim Lowry at 352-336-3476 if you have any questions.
